Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

I am enclosing check for \$5.20 due on account of Mc Crary salary to June 15th. I am sending it purely to comply with your request, and have credited it on Mc Crary's account. My books are quite incomplete, as I only have account of \$71.00 that has been advanced Mc Crary. You sent me statements which showed The Stars had advanced him \$32.50, now you state the amount is \$85.00. You also sent a statement Baltimore had advanced \$19.75, now you state the amount is \$29.75. If the \$10.00 he was advanced to come East was charged against him, \$29.75 is correct. If however, it was for fare and not to be charged to him, please let me know when the additional \$10.00 was advanced by Baltimore.

In the case of the Stars, please send complete statement right away.

Putting Mc Duffie's picture in the mail today. Sorry I couldn't get one of Suttles in time.

About July 6th, I hate to leave the Park open after engaging it, but it is kinda short notice to get another attraction. I guess I had better take Pitman. If you can wait until Wednesday Morning Abe will be home then, otherwise, you had better book us in there.

I received a letter this Morning from Richmond. We can have the Park for June 30th, \$75.00 guarantee option 20%. Let me know if this game is O. K., as the Park wants an answer at once. We did pretty good there with The Yankees Wednesday \$178.27.

Please send tickets for ballplayers and myself for Sunday, received last ones after game was over.

No fine was ever received for Elites catcher who was put out of game.

Very truly yours,
